

will my name is Keishla 3 year's
with this program its help me a lot
I think if its get into Dcf it
will not be the same there very
good with me and my girl's
here here for what every happens
it should not go to Dcf it will
change a lot so that why I think
it should just be one program only
I like how they are with the kids
and with the mothers. They should
not take any money away from
them then there not going to be
the same.

Love

Keishla Cott
